ENGLISH
KISWAHILI

WORK EXPERIENCE

Software Engineering Team Lead Broz Media

📅 05/2020 - Present. 📍 Nairobi, Kenya

I started at Broz Media in 2020, in the months following I have worked in major deliveries and CR management projects in communications industry.

- Managed the Broz Media CRM Development team
- Acted as a contact point between the technical teams, functional team and the test teams
- Performed requirements analysis, design, development and test management of monthly 100 M/D releases
- Estimated, performed feasibility analysis and forecast risks and planned the delivery for new requirements
- Contributed to each project delivery phase (analysis, development, test, ops) in different roles
- Delivered new features in both Agile and SDLC life-cycles
- Established self as a CRM Expert and gained trust of clients
- Automated build, delivery and release of Broz Media packages
